# A Message From The Minister

## Dear Friends,

In 445 BC, Artaxerxes King of Persia sent Nehemiah, an Israelite and trusted official, to help rebuild the shattered walls of Jerusalem. This is a big task in itself, but to make it all the harder, not everyone is happy about it, and as we shall see, there are those who do all they can to make Nehemiah's life difficult... When we first meet Nehemiah, he is in Susa, one of the most important cities of the Persian Empire. He is an Israelite, but one living in exile, since the Babylonians invaded Israel and carried off most of its people. Nehemiah's brothers visit him from the old country with distressing news. The walls of Jerusalem have been broken down, they tell him, and all its gates destroyed by fire. Nehemiah's immediate response is to pray. It says something about Nehemiah's character that his first response is not aimless despair or anger, but to take what he is feeling directly to God. He mourns for his homeland and makes no show of pretending that all is well. His prayers are not a flight from reality, but a bringing of his reality before God, a replaying of everything he is feeling before the God in whom he trusts. This kind of prayer is real and honest, but above all it is trusting. Nehemiah must have had a strong prior relationship with God which allowed him to be this honest and this trusting. But this isn't just Nehemiah pouring his heart out to God. He is seeking to be part of the answer to his own prayers: "give success to your servant today..."

Despite the dire situation, this is a prayer of great confidence. It is also a prayer of intercession, that is to say, a prayer for others. Nehemiah realises that the Israelites have, by and large, rejected their God, and he pleads forgiveness for them. He prays that they will realise their desperate need to be in a right relationship with God, before all else. Nehemiah recognises that this relationship, between God and his people, has been broken, and that this lies at the root of all that has gone wrong. His prayer therefore gets to the very hearts of the situation, addressing the causes, not just the symptoms, of his people's predicament. There is so much that we can learn about prayer in difficult times from this one prayer of Nehemiah's. His complete openness to God, his honesty, his concern for the spiritual health of his people and his putting himself at God's disposal are all key elements of prayer. All in one short chapter! Nehemiah may be realistic, but is full of hope too. He sees not only the facts before him, but the deeper truth that the God he serves is faithful, and never rejects those who turn to him in faith. Have a read of Nehemiah 1 yourself, and let this prayer inspire you too.

**With every blessing**  
**Ben Haslam**

## **Green Team Article**

With our new fence making a real visible improvement to our site, you may have heard comments about improving the surface of the whole car-parking area needing to be next! But I think there is a real environmental discussion to be had before that happens!

You will have seen or read about "flash-flooding" in areas where the drains cannot cope when heavy rain runs off hard-surfaces. We need to think about this carefully, and consider what different types of surface there are, their overall cost and their "environmental rating". Would our car-park area be better with more grids to drain excess water away safely? - or little channels to guide run-off towards the small planted areas? - or maybe we even consider having less hard surface and more areas with soil and plants?

Do please help us all think. Please tell our Green Team about the different surfaces you know about - what the costs might be? - who could give us more advice? - who is good at laying them? Our Property Team will make the final decisions, alongside our Church Treasurer. But, we each of us, can look around and share our knowledge to help us all. This is the time to learn, and discover more about car-park surfaces; and then choose what is best for our patch of God's Earth!

## Blythswood Care Shoebox Appeal 2021

Recently in Young Church we talked about acts of kindness and the importance of caring about others through giving to someone in need, like giving a gift filled shoebox to people living in abject poverty in Ukraine. At the moment they could be feeling that because of the global pandemic they may be side-lined or forgotten but imagine the joy when they receive a colourful paper wrapped box and then discover the gifts inside - what a Christmas present for someone truly in need!

We are collecting boxes through Blythswood Care again this year, though we will need to manage things differently with social distancing and other restrictions. Blythswood is an established Christian charity based in Glasgow, Scotland. They bring hope to families in Europe, Africa and Asia through filled shoeboxes at Christmas, relief and development aid or social projects for young and old. Their motto is 'transforming lives through Christian care for body and soul'.

You need to cover a shoebox in wrapping paper with the lid wrapped separately and they can be for adults as well as teenagers and children. The categories are; Elderly Woman, Man, Woman, Teenage Boy, Teenage Girl, Boy or Girl.

Their website [www.blythswood.org](http://www.blythswood.org) will provide a full checklist of items that can be put in the shoeboxes and you can print of a label from there, but if you don't have access to a printer then I can give you a leaflet. The donation towards cost of transporting each shoebox is £3. Date for final collection at Wonford Methodist is Sunday 14th November.

Most important items - toothbrush & toothpaste, soap & flannel, hat/scarf/ gloves, sweets (dated at least March 2022), a small toy and pencils/pens/ paper. Other suggested items for children - a ball, skipping rope, hair accessories, puzzles, stickers. For adults - shampoo, deodorant, comb, sewing equipment, candles (but no matches), kitchen utensils, screwdriver/pliers, pack of cards, small wind up torch and for teenage girls/woman- sanitary products.

You might like to add in a Christmas card with a message, your name & town/ country but do not put in your address. If you have any questions or you want to donate a few items or money instead of filling a box then please let me know - all contributions are very welcome and will help to put a smile on the faces of people who live in such poverty. This shoebox may be the only gift they have ever been given.

**Sue Keatt**

PS. We really do need empty & unwanted shoeboxes to wrap so if you have any then please bring them in!

PPS. To any of our talented knitters, each year we are most in need of scarves and mittens or fingerless gloves please, for both children and adults.

# Prayer Focus for November

## Prayer - Our Strongest Weapon - Pray Without Ceasing

We are well into autumn now and the beautiful colours remind us of God's wonderful creation. We thank Him for showing His handiwork.

As I write it seems our country is in crisis. The NHS, lack of HGV drivers, farm and abattoir worker shortages! Then there is the gas price rise which could cause real hardship to many. We need to pray for all these situations. Pray for our government to act wisely in all these situations.

We also need to pray about climate change. We can all do 'our bit' in the fight against climate change but so many countries in our world are ignoring the situation. Pray that mind sets will change & the urgency will be recognised and change acted upon.

Pray for the countries that have had to deal with natural disasters and for countries at war. Remember all those affected by all this. Pray for those who have managed to flee from Afghanistan, that they would be made welcome. Finally, pray for all those in our church family who are unwell or have been recently bereaved. Pray also for all our activities as they begin to take place once again.

We also pray for the family, friends and colleagues of Conservative MP Sir David Amess following his tragic death. Think also of the killer and his family.

***May God continue to bless you all.***

***If you have anything that you would like included please let Julie Rothwell know so that it can include it here.***

# News From The Methodist Church

## Banner drop for COP26 in London, Manchester and Glasgow

Methodist churches in London, Manchester and Glasgow unfurled banners this weekend as part of global action from faith communities calling for climate justice and care for the vulnerable ahead of COP26, the UN Conference on climate change in Glasgow next month.

Pictured above are members of the congregation and church leaders from Methodist Central Hall, Westminster. Visitors to London will also see the church's call to pray for COP26 on the outside of the building, which was the venue for the inaugural meeting of the United Nations Assembly in 1946.

The Revd Tony Miles, Superintendent Minister said, "We wanted to make a public declaration to assure people we are praying for COP26 and to inspire others to do same. We are urging the world leaders gathering in Glasgow next month to 'make COP count' and, as a Church and Conference Centre, we are endeavouring to make a difference locally too."

Eliana Achila a 13 year old member of Methodist Central Hall Westminster said, "Climate change is real and it is the poorest and most vulnerable on our planet that bear the greatest cost." Watch other young people share their hopes for COP26 here.

Westminster*

Methodist Central Hall, Manchester also unveiled a banner on Sunday. The Revd Ian Rutherford said, "We were proud to unfurl our banner at Methodist Central Hall, Manchester along with many other faith buildings across the UK as part of the #FaithfortheClimate initiative on Green Faith Day.

"Our banner design brings the bold message that we wanted to convey to Greater Manchester and to world leaders gathering for COP26 that we must all work together, like bees in a hive, to care for our common home and that we need to make COP 26 count."

## **A Statement and Prayer regarding the death of Sir David Amess MP**

A statement and prayer from the President and Vice-President of the Methodist Conference, the Revd Sonia Hicks and Barbara Easton following the death of Sir David Amess MP:

"Sir David Amess MP was a faithful and dedicated public servant for many years. He was well known to the Methodist family locally and widely respected. We offer our deep condolences to his family, colleagues, friends and constituents. This senseless act of violence is appalling, and we extend our prayers to all who have been affected by it."

*Gracious God*

*We are thankful for all those who give their lives to public service; we are deeply saddened when it comes at such cost. Be with all who loved the late David Amess MP and especially with his family at this awful time.*

*Lord, we pray for all those affected by this violent act. May your comforting love and healing grace be with them all.*

*In Christ's name we pray.*

*Amen*
